

Dear Residents:

The Board is excited to announce that we will soon be transitioning to a new, more modern and robust website. Information about the new website was shared during the September 17th Board meeting and more details will be coming your way in the October Newsletter.

In the coming couple of weeks, you'll be receiving an email inviting you to log-in to the site and to complete your resident profile. The email will be coming from the **Marbella Isles Website Admin**. *(Since the invitation is coming to you from a new website, it may not clear your spam filter the first time. We recommend checking your spam folder.*

Watch your email account and look for more details in the October Newsletter.

Stay well and safe,
The MI HOA Board of Directors
